MIKE SILVA - Owner

Mike Silva, AAM “Outstanding Member of the Year”

Congratulations to Mike Silva, AAM of Advanced Auto Service, St. Louis, MO. Mike is currently serving his second term as AASP-Missouri's State President and was selected as this year's AASP-Missouri "Outstanding Member of the Year". The State Board of Directors nominates members and then selects the winner at the following Board Meeting. Mike has been a participating member for many years and is a Past President of the St. Louis Chapter and a former "Recruiter of the Year". Mike has been an effective and active leader for the members of AASP-Missouri. Mike was recently asked to run for AASP National President but had to decline due to his busy schedule. Mike along with his wife Linda, operates Advanced Auto Service at 6123 Gravois Rd, in South St. Louis City. Mike is the second generation owner of Advanced Auto following in the footsteps of his father, Hank. Mike definitely leads by example and is the first one to jump in when there is something needed to be done. People like Mike are what make AASP-Missouri and the automotive repair industry special. A gleaming example of a proud, professional business owner, that just happens to repair cars. Congratulations and thank you Mike for your dedication to the members of AASP-Missouri.
