WHAT'S GVIP?

It's the new Gateway Vehicle Inspection Program to start October 1, 2007*

In our 50 year tradition of offering our clients a wide range of vehicle inspections to choose from, we have made the cost investment and education commitment to provide this state mandated process.

In the month of September, Advanced Auto Service, Inc. will receive our GVIP equipment. Our MO Safety Inspectors, ASE Certified and Missouri Recognized Repair Technicians will be trained to start October 1, 2007*.

- Testing 1996 and newer gas-powered vehicles.
- Testing 1997 and newer diesel-powered vehicles under 8,500 lbs.

This is our community effort to improve air quality in the St. Louis region.
